

## Nomination form for the Briggs Award for the Best Doctoral Dissertation in Applied Experimental/Engineering Psychology

Recipients of the Briggs Award are invited to deliver an oral presentation of approximately 45 minutes, based on their dissertation research, as part of the Division 21 program at the next annual meeting of APA.

The doctoral committee chair or a member of the dissertation committee must nominate dissertations.

Eligibility for the Briggs award terminates exactly two years after the commencement date at which the doctoral degree was awarded.
