Adult Development and Aging | Program

# F O R M A T

---

Division 20 programming at the 2020 virtual APA Convention will feature a hybrid of **LIVE/INTERACTIVE** and **PRE-RECORDED/ON-DEMAND** content.

## **LIVE/INTERACTIVE**

Live sessions will take place via Zoom (individual links provided below). These Zoom sessions do not require you to register for the APA Convention.

## **PRE-RECORDED/ON-DEMAND**

Pre-recorded sessions will require you to register for the APA Convention and will be accessible via the CATALYST system for a full year following APA 2020. Q & A will take place on the DISQUIS platform. Some pre-recorded session organizers have scheduled "office hours" during the Convention to facilitate real-time interactions between presenters and attendees.

You can register for the 2020 APA Convention at:

**WHAT ARE COLLABORATIVE PROGRAMS?**

Collaborative programs pull together multiple perspectives on issues significant to psychology and, where relevant, to society at large. Psychologists frequently work in teams across interest areas and disciplines. Collaborative sessions are therefore encouraged to reflect interdisciplinarity and relevant aspects of diversity.
