DEVELOPING A COMPETENT INTEGRATED CARE WORKFORCE: TRAINING PARTNERSHIPS WITHIN OREGON

ROSEANN FISH GETCHELL, PSYD

AMERICAN PSYCHOLOGICAL ASSOCIATION OF GRADUATE STUDENTS CHAIR 2019
THE TRAINING GAP

2030 Projected Demand: 101,000

Demand by Setting

- Healthcare settings & hospitals, 57%
- Schools, 15%
- Outpatient, 10%
- Other, 14%
- University, 4%

THE TRAINING GAP

1. Need for designing and implementing within systems.
2. Need for optimal use of technology.
3. Acknowledge that education is a constant, don’t reinvent the wheel.
4. Need for a strategic plan for workforce needs to be developed at the national level.
