Live Hospitality Suite
Saturday, August 14
1:00pm on

Division 32 Hospitality Suite

Division 32 will be hosting a live-time Hospitality Suite on Saturday, August 14 using Gather, a virtual space for people to live and interact more effectively online.

Gather combines video-calling with a 2D map that lets you walk around and talk to other people right next to you. Gather will allow our Hospitality Suite to hold both large events (e.g., presidential address, awards celebration, poster sessions) and more intimate events such as a social hour where members can interact one-on-one and in small groups. We plan to keep the suite open throughout the day on August 14, so convention attendees are encouraged to come visit.

Join us at 1pm for a Welcome Tutorial and Meet & Greet! A more detailed schedule of the Hospitality Suite events can be found here:
