¹ This LGBT Aging bibliography was compiled through multiple sources including databases, search engines, and a variety of individuals and organizations that offered references and revisions. This bibliography is intended to be a complete listing of the LGBT Aging literature; however, it is likely that references have inadvertently been left out. This bibliography will continue to be updated and posted at the American Psychological Association Division 44 web site through the Division 44 Task Force on Aging (<http://www.apadivision44.org>). Feedback is welcome and should be directed to the Division 44 Task Force on Aging.
