## APA 2020

## DIVISION 49 SOCIETY OF GROUP PSYCHOLOGY AND GROUP PSYCHOTHERAPY

This year's convention is virtual! Check out our on-demand and live programming!

## Community & Conversation

- **LIVE: REFLECTION & DISCUSSION SPACE: GROUP PROCESSING OF SOCIAL INJUSTICES**

This moment has been powerful and tiring. Between a global pandemic and increased awareness around racism and social injustices, we are holding a lot as a profession. This space is intended to reflect and process on this moment.

- **ON-DEMAND: DIVERSE WOMEN AS CONSUMERS AND PROVIDERS OF GROUP THERAPY**

This collaborative proposal will explore the role of diverse women as providers and consumers of group psychotherapy. This symposium addresses a gap in group therapy literature, which has historically, focused on White men (both as consumers and providers of group therapy).

## MAKE APA YOURS!

With so many on-demand sessions you can engage with programming as it works for you!

And Live programming allows for community building from the comfort of your own space.

- **ON-DEMAND: GROUP IS NOW A SPECIALTY: TRAINING IMPLICATIONS**

Group is now a Specialty under CRSPPP standards. Learn about the implications for training programs at pre- doctoral, doctoral and post-doctoral levels. The panel will discuss implications for this new designation at each level and will outline how programs can integrate the standards into their didactic and clinical training.

- **LIVE: SOCIAL**

We all know the deal by now ... grab your beverage and snacks of choice and join us for community and conversation. Connections can be made virtually too : )

# Make APA 2020 yours!
